April 26, 2018

Dear Parents/Guardians,

I would like to welcome you all to another season of North Crawford Summer Rec Baseball and Softball. We are counting down the days until we get on the field and start practicing. We were thrilled with the turnout of boys and girls in last year's program, and hope to see even higher participation rates this summer.

This year's Ridge and Valley teams will be coordinated by Tyler Dornink for baseball, and Angie Wall for softball. **We are in desperate need of ump's for all of our baseball teams and softball teams.** If you or someone you know is interested in umping or assisting with one of our baseball teams, please contact Tyler Dornink 608-574-9134 immediately.

Attached to this letter you will find a new registration form. Please sign your son/daughter up for the team that they qualify to play on. Students will ONLY play up to the team above them if there is a shortage of players on that team. If there are not enough players to make up a team, we may need to combine teams. Upon receipt of the registration form, we will send home detailed practice and game schedules with your son/daughter.

**ALL REGISTRATION FORMS SHOULD BE TURNED IN TO THE OFFICE BY**  
**WEDNESDAY, MAY 16**

My priority this summer is to provide our kids with a safe and fun learning environment to play the game of baseball and softball. If you have any questions concerning Summer Rec, please give me a call at 608-574-9134 or email tdornink@ncrawford.k12.wi.us

*Practice is key to the continued improvement and development of our players. The coaches encourage players to attend practices when possible. We recognize summer is a busy time for family vacations and other activities, so we understand students will need to miss from time to time. Excessive absences will result in players missing playing time in games. Any anticipated absences should be communicated to the coaches.*
